

Attract Top Talent and Keep your Employees Healthy and Productive with the Thurston County Chamber's Employee Benefits Program

We offer affordable, high-quality benefits that meet the needs of growing companies in a broad range of industries!

Our benefit offering includes medical, dental, and vision coverage for groups of 2 or more. Our carriers are highly valued in Washington state for providing strong, reliable coverage that supports employees across the state.

Simplify your benefits experience with streamlined plan administration and consolidated billing. Plus, we take care of your required COBRA administration at a discounted price with our in-house TPA, Verde Services.

Our incredible carrier partners offer valuable member benefits like virtual care, wellness programs, and ongoing health resources—extras that make a real difference in members' everyday health and well-being.

We're here to help small and mid-sized businesses get more value from their health insurance. By staying on top of market changes and offering cost-saving solutions, we make it easier for you to offer great coverage without breaking the budget.
